481. FUNCTIONING & CONSTITUTION OF CANTT BOARD : ADHERENCE TO CANTONMENT BOARD BYE- LAWS ON MONTHLY CANTONMENT BOARD RESOLUTIONS.

To consider the issue of functioning of Cantonment administration and constitution of Cantt Board under the Cantonments Act, 2006 read with Business Regulations notified by the Central Govt. for Cantt Board, Meerut and instructions of the Govt. of India on the subject and also to consider Hqr Central Command letter No. 260506/Cantt Board/Mtg/Q3L2 dated 10.10.2016 alongwith letters of Dte DE on the issue.

The Govt. of India has notified Business Regulations for Cantonment Board, Meerut to conduct its affairs as well as the meetings of the Board and its committees. Under clause 41 of the Business Regulations approved by the Central Govt. vide their letter No. 49/18/G/L&C/54/2492-G/D (C&G) dated 24.09.1957 there is provision that in case of emergency any point or urgent issue may be determined by

circulation of the relevant papers to the President and members of the Board. On such circular agenda all concerned have to agree or disagree by putting their signatures same day without any loss of time or calling for further information etc. But it is seen that generally, the Nominated members and some civil members avoid to sign the same and call for documents and want to retain the files or seek photocopy of the agenda. Such practice is against the provision of the Act and rather such attitude defeats the purpose of circular in emergent case and it is against the statutory provisions under the Cantonments Act, 2006. Though, no member is under obligation to approve the circular agenda it is his choice after reading the papers whether to agree or disagree but withholding the papers or not signing the papers is against the spirit of the Act and also the procedure.

Board is advised to follow the provisions under the Cantonments Act, 2006 Bye-laws in vogue. It is also informed that there are various rules enacted by the Competent Authority like CFSR 1937, Cantt Account Code, 1924, Cantonment Land Administration Rules, 1937 which should be followed strictly as and when provisions thereof are brought to the notice of the Board by the CEO. Accordingly, the authorities should perform their respective duties strictly according to the provisions under the Cantonments Act, 2006 as has been instructed by the GOC-in-C Hqr Central Command vide letter no. 260506/Cantt Board/Mtg/Q3L2 dated 10.10.2016 along with letters of Dte DE Central Command.

Board should not lost sight of the provisions under section 33 of the Cantonments Act, 2006 which provides that every member of a Board shall be liable for the loss, waste or misapplication of any money or other property belonging to, vested in, or entrusted to the management of, the Board is such loss, waste or misapplication is a direct consequence of his neglect or misconduct while such member, and a suite for compensation for the same may be instituted against him either by the Board or by the Central Government.

Board is also informed that under the old Cantonment Act, 1924 the Board has framed Bye-Laws to carry out the provisions of the Act under section 282 & 283 of C.A. 1924. There are total 43 Bye-Laws duly notified. However, some of the bye laws have become obsolete ie. Paddle Bicycle Tax notification, Bye laws for Birth and Death, Bye laws regulating the sale of articles by measure, weight, pieces or any other method, Bye-laws regulating the grant of licences for vehicles let out on higher and to Proprietors and Drivers of such vehicles etc.

The Parliament has enacted Cantonments Act, 2006 and under the provisions of section 348 of Cantonments Act, 2006 new Bye-laws have to be framed and notified on 44 subjects mentioned under this section.

Relevant file is put up on the table.

Board may consider and decide the issue.

481. Resolution.

The issue was deliberated at length. The CEO brought out the legal position of the PCB, Elected Members, Nominated Members and CEO under the Cantonments Act, 2006. He also informed the Board about important sections of the Cantt Act, 2006 relating to members, meetings, Business, quorum, methods of deciding questions and others. He specifically referred to sec. 33 & 34 of Cantt Act and explained the provisions in details. He also explained section 51 to 65 specifically.

The Board is informed that CEO is the Advisor to the Board as well as PCB on all legal matters being Member Secretary of the Board. His advice must be considered by the Board irrespective of the position that the Members may adopt any resolution by majority. However, in case the CEO finds the resolutions passed by the majority being against the interest of the Govt. or in violation of the policy instructions of the Govt, he is empowered to refer the matter to the Central Govt. u/s 56(4) of Cantonments Act, 2006 for suspension/setting aside of such resolutions.

Apart from explaining about role, powers and duties of PCB & CEO under the Act, the CEO explained that the Members of the Cantonment Board whether elected or nominated have certain duties

and responsibilities under provisions of the Act but they have no authority to interfere in the administrative actions of the Board. An Elected Member or Nominated Member can inspect any document, book or register in possession of the Board but for that purpose specific prior sanction of the Board is necessary. In this regard CEO invited attention of the Board to the provisions u/s 306 of Cantonments Act, 2006 reproduced below for ready reference and advised Members to follow such course of action while seeking inspection of any document etc.:-

306. Power of inspection by member of a Board.-

A Board may by special order authorise or order any member to inspect any work or institution constructed or maintained, in whole or part, at the expense of the Board, and any register, book accounts or other documents belonging to, or in the possession of, the Board.

The Cantonment Act, 2006 has prescribed duties, powers & functions of CEO and PCB. Any other procedure is against the statute and violation of the law made by the parliament. The CEO also briefed the Board about provisions of Cantt Account Code, 1924, CFSR, 137 & CLAR, 1937. The CEO advised all members to strictly follow the provisions of Act and rules & regulations made thereunder. The Board noted all what CEO explained and resolved that the instructions issued by the GOC-in-C, Central Command and Govt of India must be complied with and followed strictly and actions and resolutions of the Board should be strictly in terms of Cantonments Act, 2006 and various other rules, regulations code etc. explained by CEO.

Board is informed that Shaheed Smarak is on B-2 land vested in the UP State Govt. comprising GLR Sy. No. 357/1763, the same is maintained by the department of Tourism of UP Govt. The compound is consisting of historical Ashoka Pillar and Art Gallery. The arboriculture and all other activities of Shaheed Smarak are controlled by the various departments under State Govt. But in the year 2006 the sanitary services and watch and ward have been given to the Cantt Board. The Board vide CBR No. 244 dated 26.10.2006 has accepted the responsibility and resolved to seek transfer of Shaheed Smarak to Cantt Board and reclassification of land from B-2 to class C. A proposal in this regard has been forwarded to Govt of India vide letter No. 164/E-5/2006-07/311 dated 30.11.2006 but sanction is still awaited. Board was providing sanitary services in the Shaheed Smarak and had also deployed PRD jawans and chowkidars for watch and ward for security of Shaheed Smarak.

Board is further informed that in accordance with the provisions under Cantt Act, 2006 no expenditure of Cantt fund can be incurred on the land and property which are not vested in Cantt Board. Thus the action of taking responsibility and incurring expenditure on watch and ward was contrary to the provisions of Cantt Act, 2006 until and unless the land is re-classified as class 'C' and entire Shaheed Smarak complex is physically transferred and handed over to the Cantonment Board.

Meanwhile the District Magistrate Meerut vide letter No. 1163/जि०पू०अ०-दु०अनु०/१६ दिनांक ०७.११.२०१५ has sought for establishment of Amar Kranti Jyoti at Shaheed Smarak. Relevant file is put up on the table.

Board may consider the matter and take suitable decision.

488. Resolution.

Board noted the agenda. Col Subodh Garg raised doubt regarding the status of land in question whether it is B-4 or B-2. Therefore, resolved that the status of the land be ascertained from the office of DEO, Meerut Circle.

Further resolved that if the land is ascertained as B-2, the District Administration be informed that the Shaheed Smarak is constructed on B-2 land vested in the State Government and therefore, Cantt Fund cannot be invested on the said property. Hence, it will not be possible for the Cantt Board to incur expenditure on watch and ward or providing any other facility to the Shaheed Smarak. The same should be carried out by the State Government from its own funds.

To consider levying of door to door garbage collection fee under Municipal Solid Waste (Management & Handling Rules, 2000).

Board is informed that as per the Municipal Solid Wastes (Management and handling) Rules, 2000 every Municipal/Cantonment authority is responsible for collection, segregation, storage, transportation, processing and disposal of municipal solid wastes.

As per Rule 4 of the abovementioned rules every municipal authority is responsible for the implementation of the provisions of the rules for any infrastructure development for collection, storage, segregation, transportation as well as disposal. It is also informed that littering of municipal solid waste shall be prohibited in cities and in urban areas notified by the State Government. To prohibit littering and facilitate compliance of the rules every municipal authority has to take steps by organizing house to house collection of municipal solid waste through any of the method like community bin collection, house to house collection, collection on pre informed timings.

To undertake the above task extra manpower and machinery has been pressed in service for which outsourced agency has been engaged. This will increase the expenditure of the Board. 490. REPRESENTATION FOR RE-INSTATEMENT IN SERVICE MADE BY SHRI ANUJ SINGH, CEE, CANTONMENT BOARD (UNDER SUSPENSION) ALONG WITH REPRESENTATION TO REVIEW SUBSISTANCE ALLOWANCE.

Reference : CBR No. 347 dated 22.11.2016.

To consider representation dated 13.12.2016 for personal hearing and representation dated 11.01.2017 submitted in the office of the PCB from Shri Anuj Singh, CEE Cantonment Board (under suspension) requesting to re-instate him in service.

Board is informed that the individual was arrested by the police on 10.07.2016 on the basis of FIR lodged in the police station, Sadar Bazar Meerut Cantt u/s 302, 147 and 34 IPC consequent to the accident leading to the death of 04 persons during demolition drive of unauthorised constructions in B.No. 210-B, Western Road, Meerut Cantt undertaken on the basis of the orders of the Hon'ble High Court, Allahabad and the individual was under deemed suspension due to imprisonment exceeding 48 hours under order No. 190 dated 27.07.2016 consequent to the approval accorded by the PCB dated 26.07.2016 and noted by the Cantt Board by circular agenda No. 286 dt 04.08.2016.

The court of District Judge Meerut has released the individual on bail vide order dated 12.09.2016 without making any comments on the merits of the case. However, the investigation officer, Police Station Sadar Bazar has made submissions before Court of District Judge on which it is mentioned that in the FIR sections are being changed from 302 to 304A IPC.

Under rule 10(5)(c) of CFSR, 1937 an order of suspension made or deemed to have been made under this rule may at any time be modified revoked by the authority which made or is deemed to have made the order.

The Board vide CBR under reference has resolved to defer the matter till submission of charge sheet by the police in the court. In this regard the SHO, Police Station Sadar Bazar had sought sanction for prosecution of Shri Anuj Singh & others on which he has been requested to provide copy of the investigation report in respect of Shri Anuj Singh and all other employees named in the FIR vide this office letter No. Vividh/G/1958 dated 01.12.2016 and letter No. Vividh/G/176 dated 18.01.2017 but till date neither any report is received nor any information from the SHO, Police Station, Sadar Bazar.

Relevant papers are put up on the table.

Board may consider and take suitable decision in the matter.

490. Resolution

Considered and deliberated the issue at length. CEO informed the Board that the Investigation Officer, Police Station Sadar Bazar in response to his communication seeking sanction for prosecution was requested to provide copy of the investigation report and also to confirm the present status of the case. The I.O. through his letter wanted to know the Service Rules under which services of Shri Anuj Singh are governed and the name of the Disciplinary Authority. The said information was provided to the concerned authority but thereafter no communication has been received in this office. Shri Anuj Singh has submitted

a representation to PCB and also got a personal hearing with the PCB regarding his re-instatement. Smt. Beena Wadhwa stated that the Applicant has attached a copy of the High Court Judgment of the year 1995 and according to this judgment, the individual must be re-instated. Col. Subodh Garg stated that there is no change in the situation and status of the case since 22.11.2016 and referred to CBR No. 347 dated 22.11.2016 of the date by which Board had resolved to pend the matter till the charge sheet is filed in the competent court. He stated that the Board should not take any hasty decision until and unless the charge sheet is received and placed before the Board as per CBR. In this regard the CVC guidelines regarding deemed suspension and re-instatement are very clear as such at this stage the Board should not revoke the suspension of the individual. The High Court decision of 1995 referred to by Smt. Beena Wadhwa also does not confirm feasibility of issue. ADM(Finance) stated that the individual may obtain either himself or through his council the copy of charge sheet if it has been filed in the court & as per procedure trial of the case will not begin until the competent authority gives sanction. He also stated that since criminal case has been registered against the official and converted from 302 IPC to 304A IPC, as a rule, departmental disciplinary action to be initiated and such official should be served a show cause notice followed by a charge sheet containing FIR as article of charge which be inquired into only after conclusion of the trial of the criminal case in the court. PCB stated that Senior Advocate of the Board should be consulted on this and his legal advice in this regard be also placed in the next Board meeting. Since the Board has taken a decision about charge sheet, the Board may consider the case of official on such development. Therefore, till this and receipt of clarification of the above points and receipt of legal advice, matter is deferred.

Further resolved that the grant of subsistence allowance be reviewed as per rule for further increase as requested by the individual and for this purpose CEO is authorised to take decision.

बिन्दु सं० 494 मे नोट करने हेतु

अध्यक्ष महोदय,

पूर्व बोर्ड बैठक मे भी कार्यालय प्रशासन की कार्यशैली को मेरे द्वारा सराहा गया था। अध्यक्ष महोदय आज भी आपके सानिध्य मे व सी०ई०ओ० महोदय के दिशा-निर्देशन मे छावनी परिषद नई ऊँचाईयों को छू रहा है और स्मार्ट कैंन्ट के सपने को असली अमलजामे तक पहुंचाने की कोशिश की जा रही है।

पूर्व बोर्ड बैठक व्यतीत हुए अभी एक माह ही हुआ है और छावनी प्रशासन द्वारा वर्किंग वूमेन हॉस्टल, स्मार्ट पोलिंग बूथ, रेन वॉटर हार्वेस्टिंग सिस्टम व सीवरेज के प्रोजेक्टों को स्मार्ट कैंन्ट के तहत अमल मे लाया गया है, जोकि निःसंदेह सी०ई०ओ० महोदय की कार्यशैली का ही परिणाम है। महोदय स्मार्ट कैंन्ट के अंतर्गत इस बिन्दु के माध्यम से मै यह अवगत कराती हूँ कि मेरठ छावनी मे स्थित भैंसाली ग्राउंड, मेरठ कैंन्ट मे एक मिनी स्टेडियम कम शॉपिंग मार्केट बनाया जाए क्योंकि खेल को बढ़ावा देना भारत सरकार की भी नीति है और ओलम्पिक व अंतर्राष्ट्रीय आयोजनों मे खिलाडियों को मेडल लाने के लिए पहले हमे मूलभूत सुविधायें खिलाडियों को देनी चाहिए, जिसमें यह स्टेडियम एक माध्यम बन सकता है। जहां तक रेवेन्यू का सवाल है इसके अंतर्गत प्रस्तावित शॉपिंग मार्केट मे एक-एक दुकान की कीमत करोडों रुपये होगी, जिससे काफी रेवेन्यू प्राप्त हो सकता है।

दूसरी ओर सिटी रेलवे स्टेशन स्थित छावनी परिषद की मार्केट पर भी रेस्टिंग लॉज/विज्ञाम गृह बनाया जाए क्योंकि यह एक मात्र स्टेशन है जहां हजारों यात्री रोजाना आते-जाते है और इस स्टेशन के आस-पास कोई भी विज्ञाम गृह नही है। सुविधाएं देना भी एक स्मार्ट कैंन्ट की योजना है और साथ-साथ यह आय का साधन भी बनेगा।

आपका ध्यान मै छावनी के कर्नाट पैलेस आबूलेन पर स्थित दो महत्वपूर्ण जगहों पर प्रकाश डाल रही हूँ, जिसमें बंगला नं० 173 व 182 है, जिनकी खाली भूमि की कीमत ही करोडों रुपये है। अगर यहाँ शॉपिंग मार्केट कम सिनेमा प्लेक्स व मल्टीलेवल पार्किंग के प्रोजेक्ट को अमलजामा पहना दिया जाए, तो यह प्रोजेक्ट मेरठ छावनी के सबसे बडे आय के साधन होंगे।

अध्यक्ष महोदय, हमारे मेरठ छावनी की शान मॉल रोड हमारे लिए एक मिसाल है। वार्ड- 6 स्थित वेस्टर्न रोड के आधार पर विकसित किया जाए। इस सडक पर हजारों बच्चों व अभिभावक व आमजनता गुजरती है, सभी प्रमुख स्कूल व मन्दिर इस रोड से जुडे है अगर यह रोड माल रोड के आधार पर विकसित की जाए तो यह सडक भी मील का पत्थर कहलाएगी। अध्यक्ष या तो एम०ई०एस० द्वारा यह सडक विकसित की जाए यह इसे छावनी प्रशासन के अधीन कर दी जाए।

अध्यक्ष महोदय साथ ही स्मार्ट कैंन्ट योजना के तहत छावनी मे स्थित सभी 34 PGL को बायोडायस्टिड PGL मे तब्दील कर दिया जाए।

अन्त मे मै अध्यक्ष महोदय के सान्निध्य व सी0ई0ओ0 महोदय की कार्यशैली की प्रशंसा करती हूँ और भविष्य मे भी इसी प्रकार प्रगति की ओर अग्रसर की कामना करती हूँ।

495. MOTION

To consider motion dated 18.02.2017 given by Smt. Beena Wadhwa, Vice-President, Smt. Rinni Jain, Smt. Bushra Kamal, Shri Neeraj Rathore, Smt. Manju Goel, Members Canttt Board:-

महोदय छावनी परिषद् संकल्प संख्या 317, दिनांक 19.09.2016 मे छावनी परिषद् क्षेत्र मे सरकारी भूमि का उपयोग तहबाजारी बॉयलाज के अंतर्गत इस्तेमाल करने वाले छोटे व्यापारी के लिए मासिक तहबाजारी दर 100 वर्ग फुट भूमि के लिए जोकि रू 122 से लेकर रू 930 प्रतिमाह तहबाजारी शुल्क छावनी परिषद् द्वारा वसूल किया गया था अब उसे बढ़ाकर 2250रू से 4500 रू किया गया है जिससे छोटे व्यापारी इतना अधिक बोझ वहन करने मे असमर्थ हो रहे है जबकि प्रतिदिन तहबाजारी की दर 100 वर्ग फुट भूमि इस्तेमाल करने के लिए 60रू प्रतिदिन एवं मासिक 1800 होती है जिससे छावनी परिषद् संकल्प संख्या 368, दिनांक 22.11.2016 को संस्तुति किया गया है। दोनो संकल्प मे आपस मे विरोधाभास है क्योकि एक मे 100 वर्ग फुट भूमि इस्तेमाल करने के लिए व्यापारी को 60रू देना है, दूसरे संकल्प मे व्यापारी को 100 वर्ग फुट भूमि इस्तेमाल के लिए 75रू से 150रू प्रतिदिन देना है। प्रतितदन तहबाजारी देने वाला व्यापारी किसी दिन अनुपस्थित भी रह सकता है इसलिए उससे मात्र 26 दिन की तहबाजारी फीस छावनी परिषद को प्राप्त होती है। जोकि 1440 रू होती है, इसलिए छावनी क्षेत्र के सभी छोटे व्यापारी 100 वर्ग फुट भूमि तहबाजारी बॉयलाज के अंतर्गत इस्तेमाल कर रहे है उनसे सम्पूर्ण छावनी क्षेत्र मे 1500 रू प्रतिमाह वर्ग फुट भूमि इस्तेमाल करने की तहबाजारी फीस ली जाए। श्रीमान जी हमारे इस मोशन/प्रस्ताव को आगामी बोर्ड बैठक मे लगाने की कृपा करे।

महोदय मॉल रोड से लालकुर्ती बड़ा बाजार मुड़ने के लिए दोपहिया-चौपहिया व पैदल चलने वाले लोगों को असुविधा का सामना करना पड़ता है कहीं कोई हादसा न हो जाए तेज रफतार से आने-जाने वालों के कारण लोगों को काफी काफी देर तक सड़क पर रुकने को मजबूर होना पड़ता है क्योंकि इस मोड़ पर अकसर हादसे होते रहते हैं कई बार लोगों की जानें भी जा चुकी हैं। श्रीमान जी मॉल रोड स्थित रॉयल होटल के निकट पूर्व में बना एक फव्वारा है उक्त फव्वारों को उक्त स्थान से हटाकर मॉल रोड के बीच में एक सोलर ट्री लगा दिया जाए।

इसके अलावा मॉल रोड स्थित थाना लालकुर्ती वाला तिराहा भी काफी खतरनाक है छोटे बाजार की ओर मुड़ने वाले लोगों को भी काफी असुविधा का सामना करना पड़ता है इस मोड़ पर भी पूर्व में कई हादसे हो चुके हैं इस मोड़ पर भी एक तिराहा बनाने की कृपा करें मेरे इस मोशन/प्रस्ताव को आगामी बोर्ड बैठक में लगाने की कृपा करें।

497. MOTION

To consider motion dated 20.02.2017 given by Smt. Bushra Kamal, Member Cantonment Board, Meerut:-

महोदय छावनी परिषद द्वारा छावनी क्षेत्र को स्मार्ट बनाने का प्रयास एक सराहनीय कदम है लेकिन मेरे वार्ड न0 2 का बूचरी रोड स्मार्ट कैंन्ट के नाम पर एक बदनूमा दाग है पिछले लगभग 20 वर्षों से इस मार्ग पर कोई ध्यान नहीं दिया गया है मैं भी कई बार इस मार्ग का चौड़ीकरण व डेंट कारपेटिंग का कार्य कराने के लिए मौखिक व लिखित में अपना प्रस्ताव दे चुकी हूँ मेरा अनुरोध है कि इस बूचरी रोड का चौड़ीकरण, डेंस कारपेटिंग व इस मार्ग के बीच में डिवाइडर बनाने की कृपा करें श्रीमान जी यह कार्य होने से मॉल रोड पर ट्रेफिक का दबाव कम होगा और लोग इस मार्ग पर वॉक (सैर) भी करने लगेंगे। मेरे इस मोशन/प्रस्ताव को आगामी बोर्ड बैठक में लगाने की कृपा करें।

Repeated tender inviting process has not resulted in tenders with respect to remaining development works mentioned in table No.5. There was not much time left for repeating process for 5th time due to Model code of conduct for assembly elections and financial year 2016-17 approaching closure on 31.03.2017. GOC-in-C has sanctioned revised budget for the year 2016-2017 vide letter No. 82877/Gen/LC8/2016-17 dated 09.02.2017. Accordingly, Board can execute the development works in accordance with the increased revised budget sanctioned for the year 2016-2017. The process of inviting and finalizing e-tenders takes approximately one month. In the present situation Board will not be able to utilize the budget provisions sanctioned under relevant budget heads (minor) and the same may lapse.

Relevant file is put up on the table.

Board may consider and take decision in the matter.

500. Resolution

CEO informed the Board to read as 'table No. 4' in place of 'table No.5' in line no.2 of the last para of agenda being typographical error. The Board observed that despite repeated efforts made by the office to call online e-tenders for annual rate contracts of percentage on MESSSR 2010 schedule for development works during year 2016-2017 for works under categories of repair/mntc/ Improvement of culverts & dustbins in Cantt area, repair/mntc/ Improvement Cantt fund urinals & PGL's in Cantt area, repair of Electric wiring/ fitting internal & external in CF Buildings/ assets & in Cantt area, petty repair works in Cantt area, repair of nalas, repair of drains and repairing of road cuts/ trenches ramps/widening of roads, no tenders have been received. Now, sufficient time is not left for invitation of fresh tenders in above categories of works which are to be completed till 31.03.2017 as per sanctioned budget estimates (R) for 2016-2017. Therefore Board resolved that the budget of the above tenders be utilized for approved works of other categories under the same budget head after extending tender value for the approved rate contract for the current financial year 2016-2017. It is further resolved that the approved works under the categories of repair/ maintenance/ improvement of Cantt Fund schools i.e. CAB inter college/Adharshila public school & primary schools of Cantt Board, repair/maintenance of Cantt Fund

buildings i.e Cantt Board office/ sanitary godowns/bldg structures in gandhi bagh/meat shops/ slaughter houses/ cattle ponds buildings etc & repair/maintenance/improvement of footpath road side railing/fencing and development sites/parks/man holes etc be got executed with extension/increase of the contract value to the extent of sanctioned Budget provisions under Budget provisions under Budget Estimates(R) 2016-2017 being under same budget head. Board also noted that tender value variation clause does not apply here as the tenders in Cantt Board have been invited for the rate contract for the works to be executed during the financial year.

GOC-in-C has sanctioned revised budget for the year 2016-2017 vide letter No. 260506/BE/MRT/Q3L2 dated 07.02.2017 received in this office on 15.02.2017. The revised sanctioned budget is to be utilized up to 31.03.2017. Board observed that as per prevailing practice initial tenders for annual rate contracts for works of various categories under relevant budget heads are invited on basis of original budget allocation and executed to the tune of revised available budget sanction granted by GOC-in-C in the month of February/March for every financial year. Since all approved rates are invited online based on percentage rates quoted on MESSSR 2010 for rate contract agreements of works to be executed during year 2016-2017 and on invitation the tender rates are expected to be higher than the current approved rates therefore it is in the financial benefit of the Board to get the works executed on approved rates. Board also observed that on one hand some roads & lanes are badly damaged and required to be repaired urgently and on other hand available sanctioned budget is going to lapse. Board therefore resolved that in these special circumstances damaged roads be repaired /re-carpeted in the interest of general public for which CEO is authorized to execute approved works under relevant categories on Board's approved rates of financial year 2016-2017 to the tune of sanctioned revised budget after extension or execution of contract agreement with lowest approved or second lowest bidders those have participated in the tender for the current year for the respective work to be completed till 31st March 2017 to utilize the sanctioned budget granted.
